SUMMER 2019 COLLECTION

ESSENTIALS FR

This summer Kobe introduces a range of 100% flame retardant fabrics suitable for both contract and domestic use. These fabrics are the essentials for all interior professionals and can be easily used for every interior style. The collection includes, 3 room-high curtains, a sheer and 3 velvets suitable for both curtains and upholstery. All fabrics have great drape and easy care qualities.

MASTERLY 295 CM

MASTERLY CS 295 CM

Masterly is a 100% Trevira CS room-high curtain woven in dobby. It is woven with cross slub and textured double panama construction giving the fabric a matte, natural linen look and feel.

Masterly is soft and drapes easily. It is available in 25 colour-ways, including both the natural basics and the latest trend colours.

Composition: 100% Trevira CS
Number of Colours: 25

MEMORIES FR 300 CM

MEMORIES FR 300 CM

Memories features an all-over graphical checked pattern layered with a natural stone look, giving a special effect on the fabric. It is woven in Jacquard with coloured 100% FR yarns in a combination of binding techniques that creates the pattern and the contrasts and three dimensional depth.

A chic metallic sheen adds to the look. Memories is room-high and drapes good. It is available in 8 colours including earth, clay tones and complementing dark blue, aqua and trendy tangerine tones.

Composition: 100% Polyester FR
Number of Colours: 8

ZINGANA FR 300 CM

ZINGANA FR 300 CM

Zingana is room-high and woven in dobby with 100% FR yarns creating a small scaled diamond shaped all-over pattern. During the dyeing process due to the use of cationic yarns textured tone on tone effect is created.

Zingana has a beautiful interplay of matte and shine giving an extra depth to the colours. It is soft, supple and drapes great. It is available in 14 colours.

Composition: 100% Polyester FR

Number of Colours: 14

CRAFT CS 300 CM

CRAFT CS 300 CM

Craft is a yarn-dyed 100% Trevira CS sheer woven in dobby with a twill binding. Irregular slubbed yarn in the bindings and the two-toned colour effect give this fabric its natural charm. It has a naturally soft touch and drapes great.

Craft is available in 13 colours including shades of blue, purple and coral.

Composition: 100% Trevira CS

Number of colours: 13
